

2006

Thematic

Area: Design and Innovation

- 1** **Project Title:** An investigation into different Occlusion Techniques for Intracranial Aneurysms with its Accompanying Delivery System
Lead Researcher: Dr. Patrick Delassus
Postgraduate: Brian Comerford
Funding Body: Department of Education & Science - TSR Strand 1
- 2** **Project Title:** FUTURREG - Foresight - Knowledge for the Development of SME Innovation in the BMW Region
Lead Researcher: Gerard MacMichael
Funding Body: EU Framework Programme 6 - INTERREG IIIC
- 3** **Project Title:** Data Mining with Assessment Data
Lead Researcher: Phelim Murnion
Funding Body: GMIT - IRDP 2006 (Seed Programme)
- 4** **Project Title:** Identification of suitable RFID Based Hardware and Software to Facilitate the Development of a Novel Fixed Asset Tracking System
Lead Researcher: Dr. John Owen-Jones
Postgraduate: James O'Shaughnessy
Funding Body: Enterprise Ireland - Innovation Partnership Programme
- 5** **Project Title:** Development of an Automated Solar Thermal Testing and Characterisation Facility at GMIT
Lead Researcher: Dr. John Lohan
Postgraduate: Francis Fitzgerald
Funding Body: Irish Research Council for Science, Engineering and Technology - Postgraduate Research Scholarship Scheme
- 6** **Project Title:** The Research & Development of Verification IP for ASIC Devices using System Verilog & Verification Methodology Manual (VMM) Based on Technology
Lead Researcher: Niall O'Keeffe
Funding Body: Enterprise Ireland - Innovation Partnership Programme
- 7** **Project Title:** Galway County Integrated Waste Prevention Programme: Changing Behaviour
Lead Researcher: John Hanahoe
Funding Body: Environmental Protection Agency - Local Authority Prevention Demonstration Programme
- 8** **Project Title:** Medical Technology Briefings for SMEs in the BMW Region
Lead Researcher: Gerard MacMichael
Funding Body: Border Midlands & Western Region - Innovative Actions Research & Intelligence Pilot Initiative
- 9** **Project Title:** Total Energy Solutions for Sustainable Aquaculture (TESSA)
Lead Researcher: Brendan Allen / Dr. Martin Robinson / Dr. John Lohan
Funding Body: Department of Education and Science - TSR Strand III
- 10** **Project Title:** Irish Grammar Workbook
Lead Researcher: Cian Marnell
Funding Body: GMIT - IRDP 2006 (Seed Programme)
- 11** **Project Title:** The Impact and Potential Impact of Small Mobile Computing and Communicating Devices on the Business Processes of Small to Medium Enterprises
Lead Researcher: Kevin Heffernan
Funding Body: GMIT - IRDP 2006 (Seed Programme)
