Springboard+ and HCI Pillar 1 Courses

The Springboard+ upskilling initiative in higher education offers free and subsidised courses at certificate, degree and masters level leading to qualifications in areas where there are employment opportunities in the economy. Free college places are available to those who are unemployed, returning to the workforce, or were previously self-employed. If you're already working, you can also participate in a Springboard+ course by paying just 10% of normal course fees.

HCI Pillar 1 provides graduate conversion courses at both Higher Diploma (Level 8) and Postgraduate Diploma (Level 9) to future-proof graduates with industry relevant skills for emerging technologies.

Take your career to the next level – learn new skills or enhance your existing skills to achieve your education and career potential. For further details on eligibility for Springboard+/HCI courses see www.springboardcourses.ie
