**DR ORLA FLYNN,
PRESIDENT OF ATU**

WELCOME TO ATLANTIC TECHNOLOGICAL UNIVERSITY

Fáilte!

I am delighted to welcome you to Atlantic Technological University (ATU).

We are very proud of our diverse range of programs offered at our campus in Connemara, Donegal, Galway City, Mayo, Mountbellew, and Sligo. Between our campuses, we offer 600 academic programs from pre-degree to doctoral level to a population of 23,500+ learners.

We offer a rich combination of academic and research excellence, quality of life, and opportunity - all of which can be experienced in the beautiful west and north-west region of Ireland.

We deliver practice-oriented study and research that seeks to address the major global challenges facing society.

If you join the ATU family, we will welcome you and provide all the guidance and support you need to fulfill your potential.

We are dedicated to enabling sustainable economic, social, and cultural development; connected to and serving our region and with a mindset that reaches far beyond it.

The future is here.

Dr Orla Flynn
President of ATU

**JOHN JOE O'FARRELL,
ATU GALWAY-MAYO DIRECTOR
OF INTERNATIONAL ENGAGEMENT**

Dear Student,

On behalf of all the staff in ATU and ATU Global, I would like to extend a very warm welcome to you as you commence your studies here in Atlantic Technological University (Galway-Mayo). We are delighted that you have chosen to study here. International education gives you an opportunity to both study abroad and immerse yourself in a different culture.

Galway City you will find is a perfect location in which to spend either a semester or full year, cosmopolitan but yet not too large, friendly yet large enough to be able to maintain your own independence, and offering a wonderful backdrop of sea, lakes, wonderful countryside and a city steeped in culture and history.

Academically we want to challenge you, introduce you to new ideas and concepts, immeasurably improve your spoken English and see you return to your own country to tell your fellow students and lecturers how wonderful your experiences in ATU and Ireland have been. Many of you may also decide to remain in Ireland to work upon graduation, utilising the post-study stay back option provided by our Government. We have no doubt, that you will have a successful career, either in Ireland, at home, or wherever else in this globalised world that your career takes you.

You should note that ATU is now one of the largest universities in Ireland, with campuses spread across counties Sligo, Donegal, Mayo and Galway, all in the West and North West Regions of Ireland. ATU Global will be organising events throughout the year which will give you an opportunity to visit our other campuses and to meet all our international students, who are studying at our beautiful locations across the West and North West coastline.

During the course of the year, please feel free to contact ATU Global with any queries you may have. Elaine, Jorge, Noreen, Caio, the Senior ISA and I are here to help you.

Finally, I would encourage you to connect with us on [Facebook.com/ATUGlobalGalway](https://www.facebook.com/ATUGlobalGalway), Twitter or Instagram @atuglobalgalway so we can keep in touch throughout the year.

We wish you every success in the weeks and months ahead.

Your Sincerely,

A handwritten signature in black ink that reads "John Joe O'Farrell".

John Joe O'Farrell,
Director of International
Engagement (Galway-Mayo)
ATU Global

ACCOMMODATION

Private rented accommodation

Information about private accommodation options is available online from ATU's Students' Union on their [accommodation portal](#), if you have not yet booked.

Or you can try to find rooms, apartments and houses in private rentals accommodation on websites such as:

- [Daft.ie](#) (most popular)
- [Rent.ie](#)
- [MyHome.ie](#)

Please note that all accommodation is privately owned, and is not vetted or approved by ATU Global

Avoid Scams!!

Don't forget to be cautious if a place to stay seems too perfect and try to verify the authenticity of the accommodation provider before completing a booking or providing any personal information. (i.g. Arranging a video call to see the accommodation before making any payments)

Please get in touch with us if you have any questions about accommodation.

We advise you to act promptly if possible to ensure you have a room.

We also advise you to request to be included in the waiting list if the accommodation provider indicates no availability.

We have compiled a checklist for your reference and convenience before you depart for Ireland. This is to ensure you are well-prepared for your new journey to Ireland. (This is not an exhaustive list; you might identify additional items which you deem necessary to prepare/pack.)

An aerial photograph of a rugged coastline. The sea is a deep blue, with white foam from waves crashing against the base of the cliffs. The cliffs are composed of dark, layered rock, with green grass growing on the top edges. In the distance, a small white building is visible on a cliff top. The sky is a clear, light blue.
