The formal awarding of a bursary may only occur once a student has accepted their place at GMIT and the confirmation of eligibility for SUSI Special Rate grant and/or a DSP means tested social welfare payment (self).

The lead institution may terminate a bursary at any time, where the bursary holder no longer meets the terms and conditions of the bursary fund.

**Please note:** Students are not entitled to receive the 1916 Bursary in conjunction with any other bursary, scholarship, or award. If a student has already been awarded a scholarship, he/she may still apply for this 1916 Bursary but if successful will forfeit the value of the lesser scholarship. Students may however hold the 1916 Bursary and the student grant simultaneously, where they meet the eligibility criteria of the student grant scheme. The 1916 Bursary will be an income disregard for the purposes of 'reckonable income' in the student grant scheme. 1916 Bursary holders can also apply for the Student Assistance Fund (SAF) and the Fund for Students with Disabilities (FSD).
