Dear Student,

It is my great pleasure to welcome you to Galway-Mayo Institute of Technology (GMIT).

This is an exciting time for GMIT. We are one of the largest and most respected providers of third level education in Ireland and are advancing plans for re-designation as a Technological University. This will benefit our students, graduates, employers and the region as a whole. You are now part of this success story and of our future.

Your time spent studying at GMIT is very important to us. We have a wide range of supports in place to help you achieve your academic and personal best during your time with us. In order to get off to the best start, I invite you to read the information in this pack carefully and, in particular, to visit our website (www.gmit.ie) which has all the information required to help you register and pay your fees online.

When you arrive at GMIT you will be invited to attend a number of induction sessions. These are important to attend as they are your chance to familiarise yourself with the campus, your course, your lecturers and life as a third level student.

Your learning experience at college will be different to what you have experienced up to this point. At GMIT students benefit from our very positive staff-student interactions and learn through small classes, hands-on practical work, mentoring, internships and opportunities to study abroad.

A significant part of our examination and assessment of your performance involves continuous assessment and this differentiates us from other colleges. You can improve your chances of a good end of year result by ensuring you maintain a high attendance rate throughout the year.

Finally, I would like to encourage you to engage in the many extra-curricular opportunities available on campus. You may join a club or society, engage in community service, make a new discovery through research and learn about other cultures by meeting students from around the world.

When you make a success of any programme you study at third level, the evidence shows that this will improve your chances of having a fulfilling career, with improved earnings, and a longer and healthier life in general.

Every year, some 2,000 students who have met our high academic standards graduate from GMIT. We can count among those graduates many accomplished people in the areas of Design, the Arts, Hotel and Catering, Business, Science, Health & Wellbeing and Engineering.

In a few short years, you will be one of those graduates. We hope you enjoy the journey.

Yours sincerely,

Michael Hannon

Dr Michael Hannon
Acting President
GMIT

BEFORE YOU ARRIVE...

FAMILY DAY – On Tuesday 3rd September, we would like to invite your family to accompany you to whichever campus you will be based so that they can see first-hand where you have chosen to study and have any questions they may have answered by the staff from the various Departments, Student Services, Access & Disability, Fees Office and existing students. The various services will also be doing a presentation. Please register your family online on <http://bit.ly/GMITfamilyday2019> by Sunday 1st September if they are attending and register on arrival.

The Family Day times in the various campuses are:

Galway Campus (Dublin Road) 2pm – 4pm
Centre for Creative Arts & Media (Wellpark) 1pm-2pm (Come visit the Galway Campus afterwards)
Mayo Campus (Castlebar) 1pm – 2.30pm
Letterfrack Campus (Connemara) 4pm – 6pm

MATURE STUDENTS – All students aged 23 or above on 01/01/2019 who are commencing in first year are considered Mature Students. This year for the first time we are offering a special Mature Student Induction in the Galway Campus on Monday 02/09/19 and we encourage all mature students to attend. We will be covering Academic Supports, How College Works, Academic Rules & Regulations, Funding Information, Talks from existing Mature Students, Campus & Library Tours, Introduction to Moodle, Social Activities and a chance to meet other new mature students and join the Mature Student Society. Log on to: <http://bit.ly/matureinduction> by Thursday 29/08/19 to register to attend or to request that a copy of the presentations be emailed to you afterwards if you can't attend.

TRANSFER AND FURTHER EDUCATION STUDENTS – If you are transferring into 2nd or subsequent years, your programme commences on Monday 9th September. However, you are strongly advised to attend both the Mature Students session on 02/09 (see above) plus a Student Services Induction session of your choice between Wednesday 4th – Friday 6th. Check the schedule on Page 5 and select any of the Student Services & Other Services Induction slots to attend.

INTERNATIONAL STUDENTS – This session is specifically for International Students recruited through the International Engagement Office. It is on Tuesday 03/09/19 at 10am in Room 347. Please log on to <http://bit.ly/GMITinternational2019> to register for it and you can also sign up there to join the International Buddies Programme to be matched with a student based in Ireland.

REGISTRATION – Fast Track your registration by registering online at <https://ssb.anchheim.ie/gmit/> and also complete the HEA survey. You can then pick up your ID during your first few days on campus.

FEES/GRANTS – Check out Student Fees and Grant Information online - www.gmit.ie/fees-and-grants which contains details of fees, online payment system & instalment payment plans. If you have a fee payment query, e-mail feecollection@gmit.ie or for general fee queries, email studentfees@gmit.ie.

MATERIAL FEES – Most programmes in GMIT have annual material fees to cover the cost of equipment and class materials. These are not covered by the SUSI grant. Check out the Material Fee liability for your programme on www.gmit.ie/general/new-student-registration-pack

Galway Campus Map

- 1 Fáilteú Thuaidh Northern Reception
- 2 Seirbhísí na Mac Léinn Student Services
- 3 Scoil Staidéar Gnó School of Business
- 4 Scoil na hEolaíochta School of Science
- 5 Scoil Óstáin Hotel School
- 6 Scoil na hInnealtóireachta School of Engineering
- 7 Ionad Foghlama agus Fáilteú Theas Learning Centre and Southern Reception
- 8 Halla spóirt Sports Hall

FUNDING – www.studentfinance.ie is a useful site for available funding. If eligible, ensure you have applied to SUSI for a grant. www.susi.ie.

GARDA VETTING – Some programmes have placements which require Garda Vetting. Vetting will be carried out by Student Services either at the beginning of year 1 or before the placement as appropriate.

ACCOMMODATION – If you haven't sorted out accommodation yet, regularly check out the accommodation page managed by the Students' Union www.gmit.ie/general/accommodation as well as local papers and accommodation providers online.

PUBLIC TRANSPORT – Check out public transport when looking for accommodation in Galway to see if there is a bus service between the accommodation and the campus. The public transport has improved in the last year both in frequency and routes provided. Visit www.transportforireland.ie

The Galway Campus is served by several bus routes
401 - Parkmore – Salthill (also stops at CCAM)
402 - Merlin Park – Seacrest
404 -Oranmore - Newcastle
405 -Ballybane - Ragoon
409 -Eyre Square – Parkmore

Travel in the city is cheaper using a Leap Card (the Child 16-18 Leap card can be ordered online if under 19).

COMPETITIONS: We will have various competitions during the #First5weeks. To be in with a chance to win one of two €50 vouchers (one each for the best International photo) in our photo competition & exhibition, before you leave home, take a photo of what "home" means to you and email it to studentservices@gmit.ie by 13/09/19 with the title "Photo From Home" and a brief explanation as to why the photo holds a special memory for you.

WHEN YOU START

"EVERYTHING IS NEW" – The groupings on Page 4 and the schedule on Page 5 indicate your start times, venues and activities during Week 1 of the #First5weeks. Only first years and international students are on campus during week 1. These first few days are very important because practical and academic information will be covered that you will need for the duration of your time in GMIT. This includes:

- * Introduction to your Programme of Study, course content, forms of assessment etc.
- * Meeting your Lecturers for Year 1
- * Familiarisation with your campus and its facilities.
- * Information on the supports available to you from Student Services and Students Union, IT, Library, Financial Assistance, Access & Disability and others.
- * First opportunity to meet your classmates and make friends with people whom you will probably be spending a lot of time with for the next few years.

Mature Student Information Day, Family Day and International induction also form part of the "Everything is New" themed week. For more information and to register to attend any of these, see Page 3 – Before you arrive...

ASK ME – During the first few days we will have students wearing red Student Ambassador T-Shirts, Student Services staff wearing T-shirts/hoodies with Yellow Feet on them and others wearing "Ask Me" Badges. If you have any questions or feel lost, these are the best people to help you so just ask.

REGISTRATION – If you did not register before arriving to GMIT, there is the opportunity to do so on the PC's in Room 509 <https://ssb.ancheim.ie/gmit/>. If you are awaiting your grant confirmation, you should select the "Pay Later" option. However, please note that your IT access may be disabled after 31/10/19 with this option. To prevent this from happening or to reactivate IT access, email feecollection@gmit.ie indicating that you are still awaiting your grant. ID cards will only be issued if you have registered.

STUDENT ID – If you have registered, you can collect your ID in room 509 (Galway campus) during your first days on campus. Separate arrangements have been made in each of the other campuses.

IT ACCESS – New students will receive their IT passwords by SMS and e-mail prior to commencing in GMIT so will have IT access as soon as they start. Existing students use the same login details from previous years

ACCESS & DISABILITY – If you did not come in through the DARE scheme but have a diagnosed disability, long-term illness, mental health difficulty or a specific learning difficulty, please call to the Access & Disability Administrator -Room 162 on the Galway Campus (or Student Services in the other campuses) to register with the service in order to ensure you receive any supports you may be entitled to. E-mail accessoffice@gmit.ie. If you have a long-term illness, you are advised to register with the Student Health Unit as you may require some medical support during your time in GMIT.

PARKING – Parking permits are required at the Galway & Mayo Campuses. An electronic parking permit system is in place which assigns a virtual permit following an online application on <https://permits.apcoa.ie/>. In the Galway campus, green parking areas are for students with permits. To avoid penalties, students should only park in these areas. Checking of student parking permits will commence in mid-September. Parking information can be found on: <https://www.gmit.ie/about/parking-gmit-galway-campus>

SOCIAL MEDIA – You are advised to follow the various GMIT Social Media sites even before you arrive so you don't miss out on activities that are planned, up-to date information on various topics, important closing dates etc. Some of the recommended sites are displayed below.

WHEN YOU ARE HERE

#FIRST5WEEKS – The #First5weeks programme is designed to welcome you, help you settle in, integrate and make new friends, create an awareness of the academic expectations within your programme and to help you get to grips with the transition to 3rd level education which possibly includes living away from home for the first time.

Each of the five weeks is themed. Daily and weekly activities will be heavily advertised throughout the campuses and via social media (so it is important to follow the relevant GMIT Social Media pages even before you arrive).

Students are encouraged to engage with the activities which are organised during the #First5weeks. Some are held during the day, others in the evenings, some are relevant to all students, others are targeted to specific individuals or groups.

Amongst other things, take the opportunity to:

- Join a club or society – try a new activity and/or sign up for something you are already proficient at
- Learn to cook some easy to prepare, cheap and healthy meals at student led demonstration classes
- Add an international dimension to your GMIT experience by joining the International Society and going to international events or by signing up to be a Buddy to an International Student. To register as a buddy, please complete the appropriate application form: For Irish based students: <http://bit.ly/becomeabuddy19> For incoming international students: <http://bit.ly/GMITinternational2019>
- Visit the Careers Fair to see what companies are hiring graduates from your programme and see if you can find a job at the part-time Jobs Fair
- Sign up for the President's Award for Volunteering and visit the Volunteer Fair. Qualify for the award by volunteering for 25 hours either in GMIT or outside. Express interest here: <http://bit.ly/VolunteerGMIT>
- Get involved with the various Healthy Campus promotions and activities
- Check out the Green Campus Symposium

KEY SUPPORTS

Student Services – Student Services provides a range of non-academic services to support students' wellbeing and welfare while in college and prepare them for their future careers. It encompasses Counselling, Careers, Student Health Unit, Chaplaincy, Access & Disability and Financial Supports. Student Services are represented in each campus.

Under Students Union – The Students' Union team represent the student body on all levels throughout the institute and are involved with education, welfare, finance, clubs & societies, accommodation, entertainment and other services. They also run a stationery shop, a café, a fitness suite, offer discounts on a local gym and have lockers to rent

Financial Supports – The Fund Administrator in Student Services coordinates applications for funding

- The Student Assistance Fund (SAF) is a Government Fund designed to support students from socio-economic disadvantaged backgrounds with living and college expenses (other than fees). Once you have registered and know your student ID number, you can apply online for the Student Assistance Fund (SAF)- <http://bit.ly/GMIT19SAF>. Back up documentation must be submitted to complete the application process. Eligibility is based on household income for 2018. (SAF@gmit.ie)
- The Student Support Fund - emergency funding and fee waiver application forms for students with exceptional circumstances are available from the Student Services offices in all campuses.

PASS (Peer Assisted Study Sessions) – Trained student leaders from other years facilitate a weekly 1 hour timetabled study session with first year students. PASS enhances the experience of first year and eases the transition to third-level by helping first year students cope better with all the aspects of life at third level including integration; engagement and accessing relevant supports.

LIS (Learning & Innovation Skills) – The LIS module helps students develop independent learning skills including time-management and problem solving skills. It also has online learning resources.

The Academic Writing Centre – This centre offers focused academic writing tuition in pre-bookable one-to-one sessions, each lasting 30 minute, to students in all disciplines, levels and years to enable them to fulfil their potential in their academic writing tasks.

Mature Student Clinics – During the first six weeks of term, mature student drop-in clinics are held twice a week in the Independent Learning Unit (ILU) in the library.

The Maths Writing Centre – This centre offers free drop-in maths tuition to all students who are experiencing specific difficulties with maths.

Drop in Before you Drop Out – If you are having problems (personal, financial, academic etc) and as a result are thinking about leaving your programme, please ensure you seek advice from the relevant departments/services as indicated below before you make the final decision to leave.

- For academic support - Programme Chair/Head of Department
- For Personal reasons - a GMIT Counsellor (counselling@gmit.ie)
- For Financial Advice - Fund Administrator in Student Services (saf@gmit.ie)
- For Fee Implication: - Fees Office (studentfees@gmit.ie)

HEALTHY CAMPUS

GMIT is signing up to the "Healthy Ireland Healthy Campus Charter and Framework" in September. The importance of the Health and Wellbeing of the GMIT community of staff and students has been included in GMIT's new strategic plan 2019-2023. Healthy Campus will be linking in with Student Services, Students Union, Student Societies and Green Campus throughout the year to deliver various Health, Wellbeing and

Environmental promotions and initiatives. These will include opportunities to do various sports, exercise classes or step challenges; mental health promotions; quit smoking campaigns, advice on awareness on substance misuse, nutrition advice and demonstrations on how to cook cheap healthy easy meals, nutrition labelling of food in the canteen, recycling and energy usage, consent classes and student/staff choirs.

As well as using internal experience, Healthy Campus is also linking in with various outside bodies such as the HSE, Western Region Drugs & Alcohol Task Force, Healthy Galway, NUIG etc to deliver an effective Healthy Campus experience for everyone.

CONSENT

In GMIT we are very proud to be one of the top HEI's for promoting Consent amongst our student body and we have made Consent one of our target areas for development under Healthy Campus.

We have worked closely with the SMART Consent team in NUIG to train a panel of student and staff facilitators to continue to deliver Consent Workshops together which we commenced in 18/19.

In 19/20, it is our intention to offer every first year student the opportunity to attend a Consent workshop. In Galway & CCAM campuses, these are offered as part of the LIS (Learning & Innovation Skills) module. In Mayo & Letterfrack, these take place during Induction and the Mountbellew Students will be offered it on their visits to the Galway Campus.

Come along to Room 347 on Wednesday 04/09/19 at 7pm to see NUIG's new ACTIVE Consent production when a team of actors and facilitators will be delivering a performance in GMIT.

CLEAN AIR CAMPUS

On 01/01/2020 GMIT will be introducing a new "Clean Air Campus Policy" which means that smoking or vaping will not be permitted within any of GMIT's grounds or buildings. This is a Healthy Campus initiative and staff and students will be helping to implement this policy during the initial rollout phase. If you would like to be involved, call to Student

Services to pick up a "Clean Air Ambassador" badge and instructions on how you can help. Achieving a "Clean Air Campus" will be a huge accomplishment for GMIT. The average percentage of smokers in Ireland is approx. 20% and the national target is to reduce this to -5% by 2025. GMIT will be running campaigns and providing supports for those wishing to quit smoking and we hope this policy will discourage students from starting smoking during their time in GMIT.

GMIT STUDENT CHOIR

In February 2019, a workplace choir was set up by Healthy Campus and it has been very popular. The choir has proved to be a fantastic way to get to know colleagues, relieve stress and generate the feel good factor for everyone involved.

Students Union and Healthy Campus are coming together to start a Student Choir in September. Choir practice will take place on Monday evenings at 6pm from 09/09/19 in Theatre 1000 (Galway campus). We are encouraging students to give it a try, even those who think they can't sing or who have never been in a choir before. It is a lot of fun, especially with the Choir Director we have appointed to both choirs.

If interested in joining, register here: <http://bit.ly/GMITchoir>
