

Title:

Assistant Lecturer in Medical Laboratory Science – Permanent Whole Time (PWT)

The Role:

GMIT currently delivers Level 8-degree programmes in the areas of Medical Science / Medical Laboratory Science and Applied Biology & Biopharmaceutical Science.

The role involves the delivery of modules to both Medical Science and Biopharmaceutical Science students. This covers core topics at first year through to more specialised modules in later years. The successful candidate will also be expected to develop the research capacity in this area.

The successful candidate will also be required to supervise projects at degree level and liaise with hospitals and other employers for placements and projects. A good understanding of the hospital laboratory environment is therefore desirable.

As well as the requisite technical skills, results from teamwork, demonstrable skills in project management and most importantly, empathy for learners, should all be evident in the track record of the candidate.

Title:	Assistant Lecturer in Medical Laboratory Science – Permanent Whole Time (PWT)
Location:	Galway
Reporting To:	Head of Department
Requirements:	<p>Minimum:</p> <ul style="list-style-type: none"> • An Honours degree (2.2 or higher) in a Biomedical/Medical Laboratory Science Level 8 degree [as specified in the National Framework of Qualifications (NFQ)] or equivalent. • Three years relevant post-qualification experience. • The recommended candidate must also pass a medical examination prior to taking up duty. <p>Desirable:</p> <ul style="list-style-type: none"> • Specialisation Cell Pathology, Immunology or Medical Microbiology. • Three years’ experience in a Medical Laboratory. • Relevant teaching, course design, and/or research experience. • Supervision of projects at undergraduate level and possibly post-graduate level. • Excellent communication and presentation skills. • Good interpersonal skills and an ability to work in teams. • Relevant experience in an industrial field. • Member of the Academy of Clinical Science & Laboratory Medicine.
Duties:	<p>The appointee will play an active role in the academic direction of courses including teaching, research, academic assessment and academic administration. The appointee should carry out such duties as are assigned to him/her in accordance with collective agreements arrived at from time to time and authorised by the Minister for Education and Skills including but not limited to:</p> <p>(a) Teaching such assigned classes as deemed appropriate by the management of the Institute, day or evening, up to 630 hours per annum including supervision of post-graduate students where appropriate. There will be a norm of 18 class contact hours per week, which may be varied by Institute management from 16 to 20 following consultation with the Assistant Lecturer.</p>

A weighting of 1.25 will apply to hours worked after 6 p.m.
(These arrangements are subject to collective agreements arrived at from time to time and authorised by the Minister for Education and Skills).

- (b) Carrying out assessment, monitoring and evaluation of examinations work, and providing an academic and consultative support to students in their learning activities;
- (c) Providing academic input on existing and new courses and course development;
- (d) Engaging in research, consultancy and development work as appropriate;
- (e) Participating in committees appropriate to courses and meetings convened by management;
- (f) Maintaining appropriate records and making available information as required by management;
- (g) Engaging in promotion including student recruitment as appropriate;
- (h) Participating in the development, implementation and maintenance of academic quality assurance arrangements;
- (i) Participating in appropriate activities necessary to the development of their department/school and of the Institute;
- (j) Directing and supervising the work of Tutor/Demonstrator and taking academic responsibility for the academic standards of this work. When an Assistant Lecturer is supervising a Tutor/Demonstrator a reduction in teaching hours will be applied on the basis of a one-hour reduction per three hours demonstration/tutorials supervised.

The performance of these duties will require attendance in addition to class contact hours during the normal working week.

The appointee shall carry out the lawful instructions of the President (or authorised Officer) and comply with the requirements and regulations of the Minister for Education and Skills.

Progression:

Assistant Lecturers will progress to the grade of Lecturer on completion of one year's service after having reached the maximum of the Assistant Lecturer scale subject to a minimum of five years continuous service in the grade subject to ability, experience, academic qualifications, scholarship and demonstrated performance. Possession of an appropriate defined post graduate qualification or equivalent shall normally be considered an essential requirement. Institutes may award incremental credit for previous service in the Assistant Lecturer grade in another Institute or University. The Institute may require five years' service in the Institute before progression is considered.

An Assistant Lecturer with a Ph.D. and relevant research experience may be considered for progression after three years continuous service. If successful, such an Assistant Lecturer may be placed on the first point of the lecturer scale and remain on that point until five years' service have been completed. Progression for Assistant Lecturers shall be irrespective

Salary Scale:	of whether a new post of Lecturer has been established or a vacancy at Lecturer level has occurred. €37,482.00 - €51,502.00 (10 Increments)
